Mr the Minister,

I am the president of the French UNMS, a Federation of French Union of Doctors working in hospitals; we are in the CFE-CGC, one of the 5 biggest unions in France.

I give full support for the union LOZ-Slovaquia.

If you agree, I propose to meet you to speak together about the situation of health and doctors, in Slovakia and Europe.

My will is to help to resolve the conflict between the Zilina Hospital and the doctors and, as well, to improve the situation of health system in Slovakia in the interest of our patients.

I hope you will agree with my proposal.

Please, agree my big respect for you.
