We turn to you as representatives of ROMANIAN FEDERATIVE CHAMBER OF TRADE UNION OF PHYSICIANS, the trade union of doctors from Romania.

We know about the changes in the Slovak law concerning the incrimination of doctors, if they are in strike and are obliged to work since the local authorities declare emergency situations.

We are against these allegations. Therefore we ask you not to promulgate the law in discussion, sent to you by Slovak Parliament.

This law changes are an abuse on the profession of doctors.

More over, there are many objections to the adopted amendments that, in our opinion, will damage the status of health care professionals and also the perception of Slovakia in the European context.

Therefore we courteously ask you NOT TO SIGN the referred amendments.

Respectfully,

President ad interim,

Dr. Zagyva Piroška

Vicepresident,

Dr. Dan Peretișanu

Department of education, and relationship with mass media
